What to say to referrals:

"Our family just enjoyed a cooking show with Core Cooking and it was amazing! I have the opportunity to gift your family a free dinner; it was an amazing 5 course meal with a lot of great health information! I thought of your family for this same amazing experience because _____. I know you'll love it and want to tell others too, PLUS you'll be helping me earn a really nice gift!! Sound like fun, right??" When they say "yes", you say "Great, I'll have them contact you!"

FAQ

What is this/what's the catch? "No catch. This is the way they advertise and introduce themselves with food!"

What is for sale? "They have a cooking system and equipment, if you like it great, if not they will just leave you a brochure. If you can do me a favor and have meal with them, you'd help me earn a really nice gift! "
